Re: **Rate Increases**
Agreement No. C0623
On-Call Environmental Remediation Services

Dear Mr. Doherty:

NRC Environmental Services Inc. (NRCES) requests the reference agreement be modified to include the current *NRC Environmental Services Inc. Price List, Alameda Corridor Transportation Authority, California Prevailing Wage Rate Schedule, Effective February 18, 2009* in lieu of the price list dated October 21, 2004.

NRCES has been using the same price list since October 21, 2004. Increased labor and fuel costs have necessitated increasing rates.

If you have any questions, please call Asher Grimes at (562) 506-2058.

Sincerely,

NRC Environmental Services Inc.

Price List Terms: Customer's request for NRC Environmental Services Inc. (NRCES) to perform services constitutes an agreement to pay for those services under the Personnel, Equipment and Material Terms of this Price List, regardless of any estimates provided by NRCES. Charges will be based on the most current published Price List. In addition, a minimum charge of \$3,500.00 applies to emergency response call outs from Customers without prearranged contracts with NRCES. Surcharges to current published rates may apply in non-local areas. Surcharges may also apply to cover unanticipated cost increases for items, including but not limited to fuel and insurance, resulting from circumstances beyond the control of NRCES. Rates are based upon net 10 payment terms unless otherwise agreed by written contract. All prices are in U.S. dollars.

Personnel Terms:

1. Minimum call out is 4 hours per person, except for projects over 50 miles from office location require 8-hour daily minimum.
2. Rates for FS, MC, EO, DR, RT, SF, LO, VO, DH, TE, SA, AS and ST are subject to the following:
 - a. Weekdays: 0700 to 1500 hours charged at Straight Time (ST = Hourly Rate); 1500 to 1900 hours charged at Overtime (OT = 1½ times the Hourly Rate); 1900 to 0700 hours charged at Double Time (DT = 2 times the Hourly Rate). Changes to start times for Weekday ST, OT and DT may be requested by Client and may be approved by NRCES on a case-by-case basis for longer term projects.
 - b. Saturday: First 8 hours charged at Overtime (1½ times the Hourly Rate); hours over first 8 hours charged at Double Time (2 times the Hourly Rate).
 - c. Sundays and Holidays: All time charged at Double Time (2 times the Hourly Rate).
 - d. The following are included holidays: New Years Day, Presidents Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Day after Thanksgiving and Christmas Day. Other holidays may apply when employing certain union personnel, including but not limited to: Martin Luther King, Jr. Day, Cesar Chavez's Birthday, Veterans Day, day before Christmas and day after Christmas.
 - e. The above Rates are applied regardless of the number of hours worked for any Client on any particular day. Rates for hours subsequent to a break of less than 8 hours are calculated as continuous to hours prior to break.
3. All project specific personnel, including accounting, administrative, personnel support, logistics and management, whether on site, at NRC Environmental Services offices, or at support locations, are chargeable per the above rates. All personnel are charged according to the above rates, regardless of full-time, part-time or third party labor source status, unless provided as part of a specified subcontracted service. Labor rates for remote sites and prevailing-wage projects may require a surcharge.
4. Time charges begin with equipment and personnel mobilization activities. Time charges terminate at the conclusion of the services, which includes transportation of equipment and personnel back to operations centers and any necessary demobilization activities. Personnel time is charged in half-hour increments for all personnel. All hourly rates will be charged Portal-to-Portal from the location of personnel when dispatched, including but not limited to NRCES office, personnel home, hotel or other jobsite as applicable. Personnel on standby for Customer will be charged at 8 hours per 24-hour period.
5. Transportation and any incidental costs for all emergency response personnel, both on site, at support locations and traveling to and from the site or support locations, are charged at cost plus 20%. Per Diem charges for food in metropolitan areas are \$50.00 per person per day. Typical per diem rates for lodging, based on double occupancy, are \$100.00 per person per day. Rates for premium areas and remote sites to be determined.

Equipment Terms:

1. All equipment sent to site by NRCES shall be in a basic operating condition. Additional components charged to customer include, but are not limited to, multiple hose lengths, blast shields, specialty tips or fittings, specialty connections, noise abatement, catalytic converters, etc. Equipment prices do not include fuel, operator or mobilization unless otherwise stated. Fuel consumed in non-mileage related operation of equipment, including vehicle and non-vehicle equipment and vessels, will be charged at cost plus 20%. Vacuum truck washouts will be charged at cost plus 20%.
2. Time charges are calculated portal to portal, beginning with equipment mobilization activities from the NRCES office or operations center unless otherwise specified, including all time at the site. Time charges terminate at the conclusion of the operation, which includes transportation of equipment back to NRCES office or operations center and completion of any

necessary demobilization activities, including equipment cleaning, repair, replacement and/or delivery to NRCES of restored equipment.

3. Day rates are based on 8 hours of operation. Equipment will be charged in half-day increments for additional hours over 8, up to a total of 3 days charge during a 24-hour period.
4. Minimum call out for hourly equipment is four hours per day for local projects and eight hours per day for projects over 50 miles from mobilization site. Minimum charge for daily rate equipment is daily charge per day. Customers will be charged for unused requested equipment until released and returned to service per Note 3.
5. Base mileage charges are \$.50 per mile for cars, \$.65 per mile for trucks/vans and \$.85 per mile for commercial trucks. A fuel surcharge of an additional \$.15 will be added to the base mileage charges for every \$.50 increase above \$.75 per gallon of diesel in the local NRCES office area at the time of service..
6. Equipment not specified on the Price List will be charged at cost (including rental, insurance, freight, fuel, etc.) plus 20%.
7. In addition to payment of rental charges, Customer agrees to pay NRCES, in accordance with rates contained in this Price List, for any cleaning or repairs necessary to return all equipment to the same condition as at the commencement of services (with the exception of normal wear and tear). Customer is also responsible for the payment of all transportation and disposal charges for any waste generated during cleaning. Only NRCES or its subcontractors shall perform any cleaning and decontamination operations on all equipment owned, rented or subcontracted by NRCES. If NRCES determines that equipment cannot be returned to the condition it was in at the commencement of the services, Customer shall pay for all costs at cost plus 20%, including freight and other expenses incurred by NRCES to replace this equipment. All boom, whether new or used, that is damaged beyond repair shall be replaced by NRCES with new boom at Customer's expense at cost plus 20%, including freight and other expenses.
