Heim Bridge Replacement Mitigation Truck Program

Phase 1 Home Page

Instructions:

Please read carefully through the steps below to complete the grant application package. There are currently **three active application forms (Form A, B, and C)** in this Phase I grant application package. You may apply for up to three Truck Replacement Projects in one application.

1. Prior to starting the application, please read the Heim Bridge Replacement Mitigation Truck Program Solicitation Document available [here](#).
2. Click on an individual form below to begin entering information. Once a form is completed, a green check mark with a "completed" message will appear next to the corresponding form on this Home Page.
3. You may submit the completed application after all the active forms are completed. A "Submit Application" link will appear at the bottom of this Home Page, which you must click on to access the Application Submission page.
4. Once on the Application Submission page, you will be required to certify the entire application package has been completed and submit your grant application for grant administrator review.
5. You may save and log off at your convenience until the application deadline. You may update the information you have previously entered at any time prior to the application deadline. After the application deadline, you will not be allowed to alter any information you have entered in this application package.
6. All applications are equally weighted regardless of the time they are submitted.

Warnings:

- A. Once the deadline has passed, you will not be able to enter Forms A through C again. Please verify all information is correct before you submit the application prior to the deadline.
- B. Only the application packages that have been certified by the applicant for submission will be reviewed by the grant administrator.
- C. Only one application will be accepted per applying entity. Applicant may submit up to three Truck Replacement Projects in one application.

Application ID # 40

Heim Bridge Replacement Mitigation Truck Program

Form C - Program Obligations

All applicants selected to receive an award must agree to all operational and reporting requirements. Please read the following statements and certify that you understand your obligations related to the Program. For a complete list of obligations please read the Heim Bridge Replacement Mitigation Truck Program Solicitation available [here](#).

If you have any questions or would like to schedule an appointment for assistance, please contact the grant administrator at truckgrant@acta.org or call (323) 989-ACTA (2282).

All required fields must be completed before this form can be saved.
Required fields are marked with an asterisk (*).

I understand that if I am selected to receive a grant award from the Heim Bridge Replacement Mitigation Truck Program I must:

(Please read and type your initials next to each item)

C1. Agree to sign an agreement to meet all program requirements, including, but not limited to, the following: *

C2. Scrap Existing Truck(s) with a certified dismantler/recycler in the presence of an ACTA representative. *

C3. Agree to obtain Replacement Truck(s) within 60 days of scrapping Existing Truck(s) and receiving grant funding. *

C4. Make a minimum of 150 annual Service Trips per Replacement Truck to the Port of Los Angeles and/or Port of Long Beach. *

C5. Keep all documents relating to the award and the operation of the Replacement Truck(s) for at least one year after the end of the contract. *

C6. Provide quarterly reporting for three years for each Replacement Truck including, but not limited to, the following: *

- Quarterly vehicle miles traveled (including mileage/activity logs for documentation)
- Documentation of the number of Service Trips made by Replacement Truck(s)
- Summary of maintenance performed and inspections conducted

C7. Provide annual reporting for three years for each Replacement Truck including, but not limited to, the following: *

- Updated contact information (owner name, address, phone, etc.)
- Proof of California registration and insurance
- Annual vehicle miles traveled(including mileage/activity logs for documentation)
- Summary of maintenance performed and inspections conducted
- Documentation of the number of Service Trips within 12 month period
- Certification that the Replacement Truck was operated in accordance with signed contract and that all information submitted is true and accurate
- Other information as requested by ACTA or their designated administrator

C8. Receive an IRS 1099-G Form equal to the amount of the award, which makes me responsible for the reportable income as a result of participation in the program. *

I do hereby certify the following (Please read and type your initial next to each item):

C9. That I have reviewed and understand the Heim Bridge Replacement Mitigation Truck Program Solicitation and Application, including this Notice of Obligations, and that all of the information I have submitted is true and correct. *

C10. That I will disclose the value of any existing financial incentive that directly reduces the cost, including tax credits or deductions, grants, or other public financial assistance, for the replacement of Existing Truck(s). *

C11. That neither the truck owner(s) nor the truck(s) has/have any outstanding violations of CARB regulations. *

C12. Authorized Typed Signature (Equipment Owner) *

C13. Owner Sign Date *
