

ALAMEDA CORRIDOR MAINTENANCE SERVICES

Request for Proposals dated September 30, 2024

Responses to Questions – Round 1

Question 3 - Addendum

Issued October 22, 2024

3. Can the Agency provide a copy of the invoices for the last 12 months from the current corridor service provider?

Obtaining a year's worth of invoices may not be deemed as useful to prospective proposers given the volume of the files and the RFP schedule. We will provide 3 months of invoices instead. Potential proposers can access these files through WeTransfer by using the following links:

As a reminder, the purpose of the Cost Proposal information is not to arrive at a complete estimated total price for the first Annual Maintenance Budget under the Agreement. Rather, the firm's Cost Proposal Forms will be used to evaluate the cost elements of the labor and services to be provided. See Section 5.3 of the RFP for additional information.
